

10W30

DUCATUS KOMPAKT

Semi synthetic engine oil formulated with advanced additives to meet the superior performance and fuel efficiency of modern engines requiring low viscosity oils.

BENEFITS

- Superior oxidation stability protects against sludge and varnish forming.
- Complete engine protection against wears, corrosion and rusting.
- Cleanse engine by a versatile detergent-dispersant additive system.
- Reduces emission and extends oil drain intervals.
- Excellent fuel economy.
- Smoother engine running.

COMPATIBILITY

API SN/CF/GF-5
ACEA A3/B4
MB 229.1
VW 501.01/502.00/505.00

Suitable for gasoline and diesel engine, NA or with or without Turbocharge requiring outstanding performance level.
